## Parents' Curriculum Feedback \_RESPONSE SHEET

Department: Computer Science and Engineering Academic Year: 2016-17

Please tick for relevant points (√)

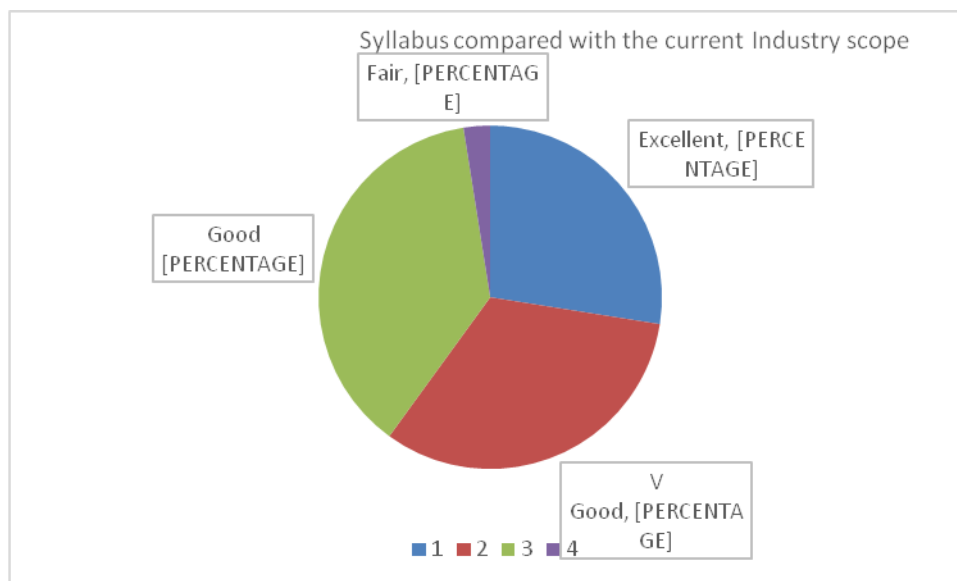

1. Are you aware of the syllabus of your ward?

a. Yes-37

b. No -3

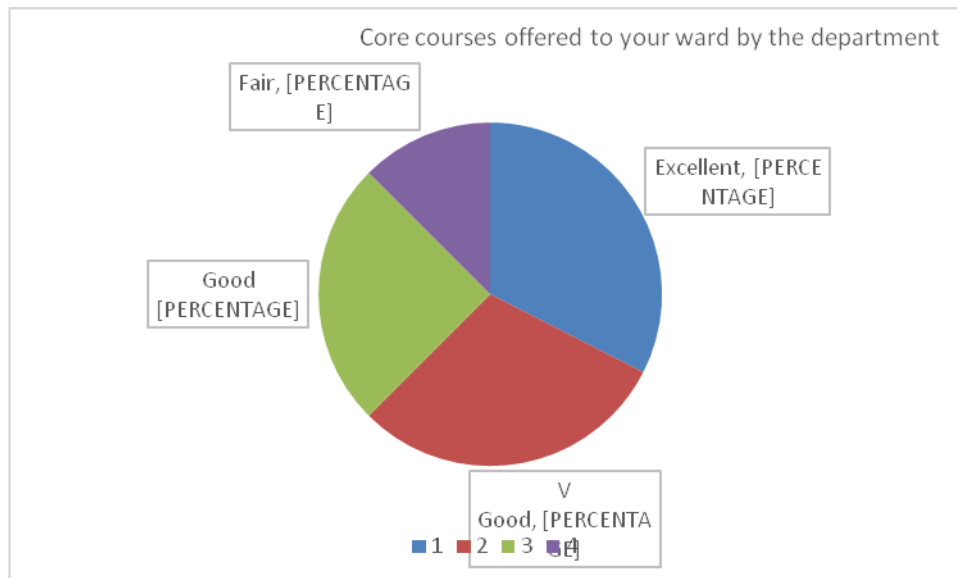

2. How do you rate the syllabus compared with the current Industry scope?

Excellent	Very Good	Good	Fair	Poor	Overall Rating in Percentage
11	13	15	1	0	77

3. Kindly rate the core courses offered to your ward by the department?

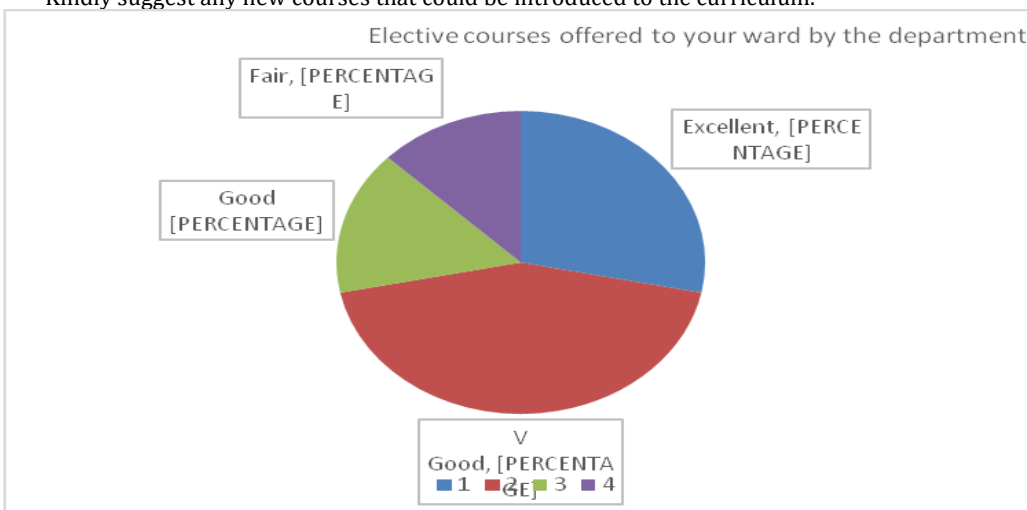

Excellent	Very Good	Good	Fair	Poor	Overall Rating in Percentage
13	12	10	5		76.5

4. Kindly rate the elective courses offered to your ward by the department?

Excellent	Very Good	Good	Fair	Poor	Overall Rating in Percentage
11	17	6	5	1	76

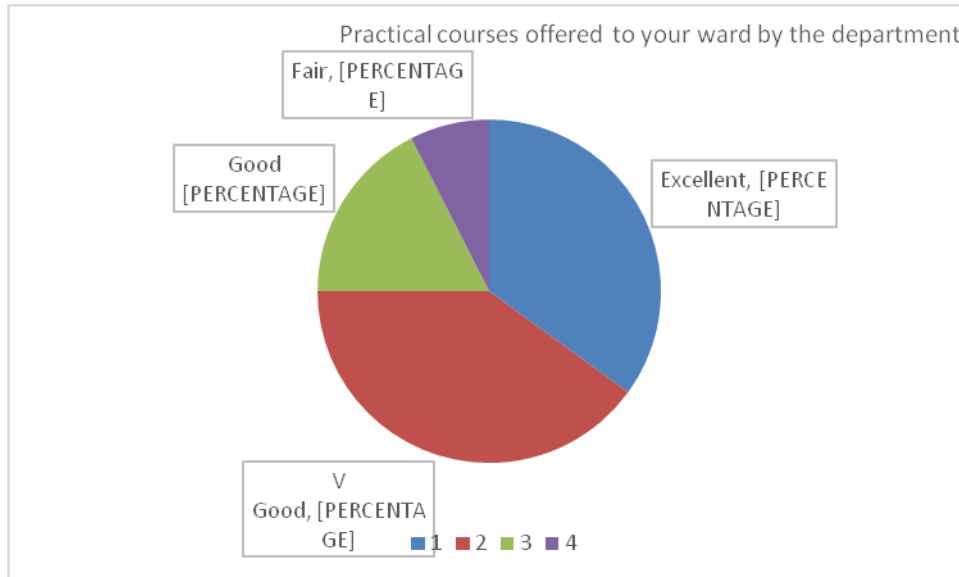

Kindly suggest any new courses that could be introduced to the curriculum.

5. Kindly rate the practical courses offered to your ward by the department?

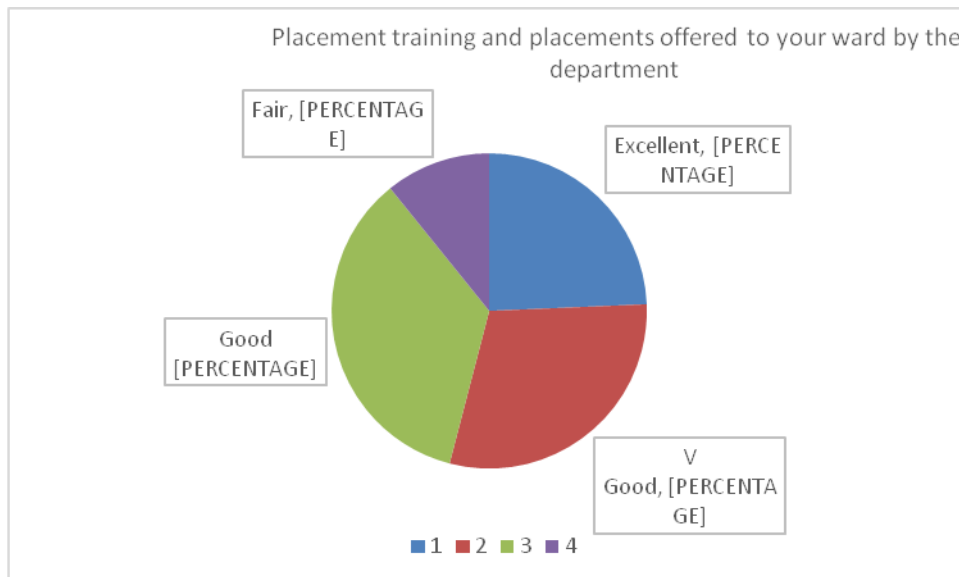

Excellent	Very Good	Good	Fair	Poor	Overall Rating in Percentage
14	16	7	3		80.5

Would you like to suggest any practical courses that could be added to the curriculum?

6. Kindly rate the placement training and placements offered to your ward by the department? (if applicable)

Excellent	Very Good	Good	Fair	Poor	Overall Rating in Percentage
09	11	13	4	3	69.5

7. Kindly give your valuable Suggestions for the improvement (curricular / extracurricular).

More practical courses is necessary
Focus more on hands-on training
Make it more practical and teaching have to be made more good
Remove workshop, physics, chemistry and other unwanted subjects. It's a waste of a year. Try introducing more branch related courses from the 1st year

More industry oriented courses
The curriculum is already good, it just needs to be carried out successfully without any interruptions
More practical opportunities for slow learning students.

**More practical skills should be developed.**

Extra co-curricular activities after college hours.

# **NITTE MEENAKSHI INSTITUTE OF TECHNOLOGY**

## **Department of Information Science and Engineering**

### **Parents Feedback and Action Initiated by the Department:**

Parents have given feedback majority in the range of good to very good under categories (1) syllabus formation (2) selection of core subjects (3) selection of elective subjects (4) selection of practical (5) Placement training and placements.

Their suggestions and Actions initiated from the department are

(1) To improve practical knowledge of student:

Action- An extra Laboratory course has been included from second year onwards. Most of the Theory courses has included with practical components through Learning Activities. Many hands-on workshops are arranged for students of second and third year at the beginning of the semester.

(2) Industrial visits:

Action- Industrial visits are arranged for 3<sup>rd</sup> year students to UNYSIS.

(3) Internship:

Action- Students are informed to take up internship after 6<sup>th</sup> semester, which is mandatory and reflects in their curriculum.

(4) Syllabus updating:

Action- Every semester DUGC and BoS meeting are conducted with Subject experts, Industry Personnel and students resulting in updating of syllabus meeting the latest trend in technology.

(5) Placement training and placement,

Action- Training starts from 3<sup>rd</sup> semester and placement starts from 7<sup>th</sup> semester. Two extra hour is included in the Timetable to meet the requirement.

### **Students Feedback and Action Initiated by the Department:**

Students have given feedback majority in the range of good to very good under categories (1) Syllabus (2) Library holdings (3) Able to get prescribed reading material (4) Offered electives (5) Self reading topics (6) Lab. components (7) Credit allocation (8) prescribed books (9) Learning value (10) Real life situation and industry (11) depth of course content (12) extent of coverage of course (13) efforts required by students (14) project learning values (15) understanding the depth of course content.

**Action taken:** Improvements in the curriculum is initiated to meet the Industry requirements. Library facility has been enhanced by increasing the number of books of different authors in the department library.

## **Alumni Feedback and Action Initiated by the Department:**

Feedback details collected from Alumni's

- (a) For the year 2017-18, majority in the range of fair to very good under categories (1) syllabus relevance (2) updated syllabus (3) leading to pursue higher studies, research (4) offered electives (5) self-learning (6) relation to current job (7) real life application.
- (b) For the year 2018-19, the feedback is improved, in the range of very good and excellent. This is due to the actions initiated by the department for the suggestions of alumni.

Their suggestions and Actions initiated from the department are

- (1) New courses are introduced to meet industry standards.
  - a. Object Oriented Analysis and Design
  - b. Python for Data Sciences
  - c. Data Mining
  - d. Compiler Construction
  - e. Essentials of Information Technology
  - f. Big Data
  - g. Android Application Development
  - h. Design and Development of Web Application
  
- (2) Content for some courses has been updated
  - a. Discrete Mathematical Structures  
Action- subject content is revisited to help applications related to Information Science and Engineering domain.
  - b. Digital Design and Microcontroller  
Action- Syllabus is framed based on the requirements of Industry which helps students to work on interdisciplinary subjects.
  - c. Information and network Security  
Action-subject content has been updated based on Industry requirements
- (3) Aptitude and Soft skill  
Action-Training programs are arranged for 6<sup>th</sup> semester students from industry experts to help students in placements.

## **Faculty Feedback and Action Initiated by the Department:**

Faculty have given feedback majority in the range of very good to Excellent under categories (1) Need based syllabus formation (2) good balance between theory and applications (3) increases knowledge and perception in the subject area (4) indication of reference material (5) updated reference material (6) well defined course objectives (7) syllabus as per capability of students to understand (8) freedom to modify (9) freedom to propose new technologies (10) freedom to adopt new technology.

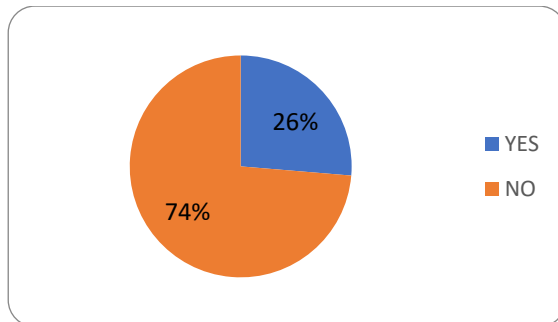

**Action taken:** Improvements in the curriculum are made regularly; depending on the requirement of Industry to help the students and faculty. Training programs are arranged for the faculties, they are encouraged to go to other colleges to attend the workshops of current requirements.
