01-May-2020

Dear Parent and Student,

We have received an order from the Ministry of Home Affairs, Govt of India. This order states that all colleges will continue to be closed till end of day May 17. We, therefore, ask that you continue to attend your online classes. Please also prepare for exams in subjects that you have not passed. Semester end exams will be held soon after the college reopens. Specific dates for exams will follow.

Do visit our website for official updates from the college.

Lastly, please take care and stay well.

Wishing you the best,

Yours sincerely,

PRINCIPAL NMIT
